

Board Meeting

The New Board of the MRAPPOA was called to order at 12:30PM after the regular annual meeting to determine the responsibilities of the newly elected members and their duties. All members were present with the exception of Ann Seehafer. The following appointments were made:

Pres: Dave Zawistowski

VP: Tom Cacek

SEC: John Drago

TREAS: Bill Izzard

MBR: John Gostomski

MBR: Joe Fleming

MBR. Ann Seehafer

The only other business conducted was the decision that a follow up meeting of the new board and the outgoing members of the old board would be convened in the near future to discuss the transition of the duties and the format in which these duties were handled in the past so as to promote a smooth transition of duties. The new president Dave Z will be contacting the old as well as the new members to coordinate a time when the old and new primary officers could meet.
